All Year 6 students in government primary schools will be issued with an Expression of Interest form. They must be returned to the primary school. Students living within Engadine High School’s boundaries are local students. All other students are welcome to apply as non-local applicants and should complete this form and return it with your Expression of Interest for placement in a NSW Government Secondary School.

Please provide all relevant information on the form below as the school’s placement panel will use this information to process applications. The panel will consider all documentation presented and relevant to the criteria. Documentation will support a better understanding of your child’s approach to learning and their peers as a basis for their future success at Engadine High School. In order to ensure procedural fairness, the panel will not consider additional information that is not submitted at the time of application. Please note: no single criterion will guarantee automatic placement.
