Above is the list of sports that may be available to students throughout the year. Please discuss their choice and associated cost of the sport with your child. The activities are conducted each Wednesday beginning at approximately 12.41pm and concluding at 2.30pm if undertaking an offsite programme. Students will return to school by bus, or in some cases be dismissed from the venue, if they have returned the correct permission note. Those who are not attending sport will attend Non-Sport and be dismissed at 2.50pm with other school based selections.

Sports that require bus travel, will incur a further payment, which will be invoiced on a per Term basis. For example, a ten week term will incur a \$60 invoice being sent to the students. If the sport chosen requires either a bus and / or term fee payment, this may be paid via either the Parent Online Payment system or by credit card. Please be aware that no refunds will be made for non-attendance at sport.

**Please ensure you have given your son / daughter permission to attend Sport this year (2021) by accessing the Parent App which will be integrated into our parent portal in the coming weeks. Further information including instructions on how to use and provide parental permission will be sent out in the near future. Students in all water based activities (Surfing, Canoeing and Aqua Aerobics) must complete an additional permission note which must be handed to their sport teacher before the first Wednesday of sport. All notes can be accessed via our school website.**
