

ENGADINE HIGH SCHOOL INFORMATION NOTE

Dear Parent/Carer:

Wednesday sport at Engadine High School ends at 2:50pm, at which time students will be dismissed from the school grounds. Most of the sporting activities undertaken away from the school conclude at 2:30pm which allows for sufficient time for students to return to school under the supervision of staff, be it by bus or walking.

There is the opportunity for your child to be dismissed from their sport venue at the conclusion of the activity in order for them to remain at the venue or walk directly home.

If you give approval for this, please complete the permission note below and have your child return it to their sport teacher.

Yours sincerely

Mr R. Griffith
Sports Organiser
